

Information about primary school

Footwear

In addition to their normal shoes, in primary school the children need 4 extra pair of shoes:

- Slippers (with a stable foot)

➔ In school the children wear slippers in order not to draggle the floor unnecessarily.

- Sports shoes (with a light foot) for physical education in the gym

➔ For the physical education in the gym, the pupils need sports shoes with a light foot, which doesn't loose colour in order that the floor doesn't get dragged.

- Sports shoes for physical education outdoors

➔ For the physical education outdoors the children need an extra pair of sports shoes. Shoes which have been worn outside may not be worn in the gym!

- Bathing shoes for swimming instruction

➔ In class 2 the children get swimming instruction. Therefore they need bathing shoes.

Swimming instruction

In class 2 the children get swimming instruction. There the children learn how to swim correctly and without a life jacket.

For swimming instruction the children need:

- ✓ swimsuit or swimming trunks

- ✓ bathing shoes

- ✓ bathing cap

- ✓ maybe goggles

- ✓ Bath towel

handicrafts

In handicrafts children learn to handle with materials like:

- wood 
- metal 
- plastics 
- fabric 

...and to work with:

- scissors and glue 
- hammer and saw 

Therefore they need an apron. It protects the workaday clothes from dirt and damages.
